

The Dolphin Village Pub and Restaurant

owned by the community, run for the community

Welcome to The Dolphin

The Dolphin has been serving the resident of Bishampton and surrounding areas for over 170 years.

After a succession of closures while managed by a national chain, The Dolphin was purchased by Bishampton and Throckmorton Parish Council in 2013 to ensure the preservation of the local village pub. In August 2017, the running of the pub was taken over by a not-for-profit Community Interest Company.

As a community owned pub we are committed to providing exceptional food and drink in a warm and friendly environment.

Our Head Chef Adam Letterese and all our team are committed to making sure your meal is as pleasurable as possible. We also use locally sourced meat and produce where it is available. If you have any queries or special requests, please do not hesitate to ask a member of staff.

Thank you for visiting us and we sincerely hope you enjoy your meal.

Theme Nights

The last Thursday of every month is our very popular 'Theme Night'. Taking inspiration from a particular region, a fixed menu is served to each table, usually consisting of at least three starters, three main course and three desserts. In the past we have had Italian, Oriental, Tex Mex and Indian Nights. Please ask a member of staff for the details of our next event
